Dear Community Partner

Covered Ministries Inc is a 501(c)(3) organization started in January 2022, in Gwinnett County, to supply food aid to single family households and to provide mentorship for young men and young women. Covered Ministries Inc can only achieve its goals with the help of generous donations from members of our community.

Since our organization relies on the benevolence of organizations like yours, we ask you to consider a donation to our mission. The economic impact of COVID-19 along with rising inflation and healthcare costs, are daily issues for many families. Food insecurity is the limited or unknown availability of nutritional and safe foods for everyone in a household to meet their basic needs. During recent years, food insecurity increased among single parent households with children. Last year, 35% of households with incomes below the federal poverty line were food insecure.

Thank you in advance for your generosity.

Community Partner Volunteerism

We developed partnerships with several Gwinnett area nonprofits to offer volunteer support and community service learning for teens. We have been able to leverage these partnerships to assist single parent households with fresh produce and non-perishable food. Opportunities to serve the community are on Saturdays and weekdays (during the summer months).
